Grays Harbor Stream Team Welcomes New Coordinator!

We are excited to introduce the newest member of the Grays Harbor Stream Team!

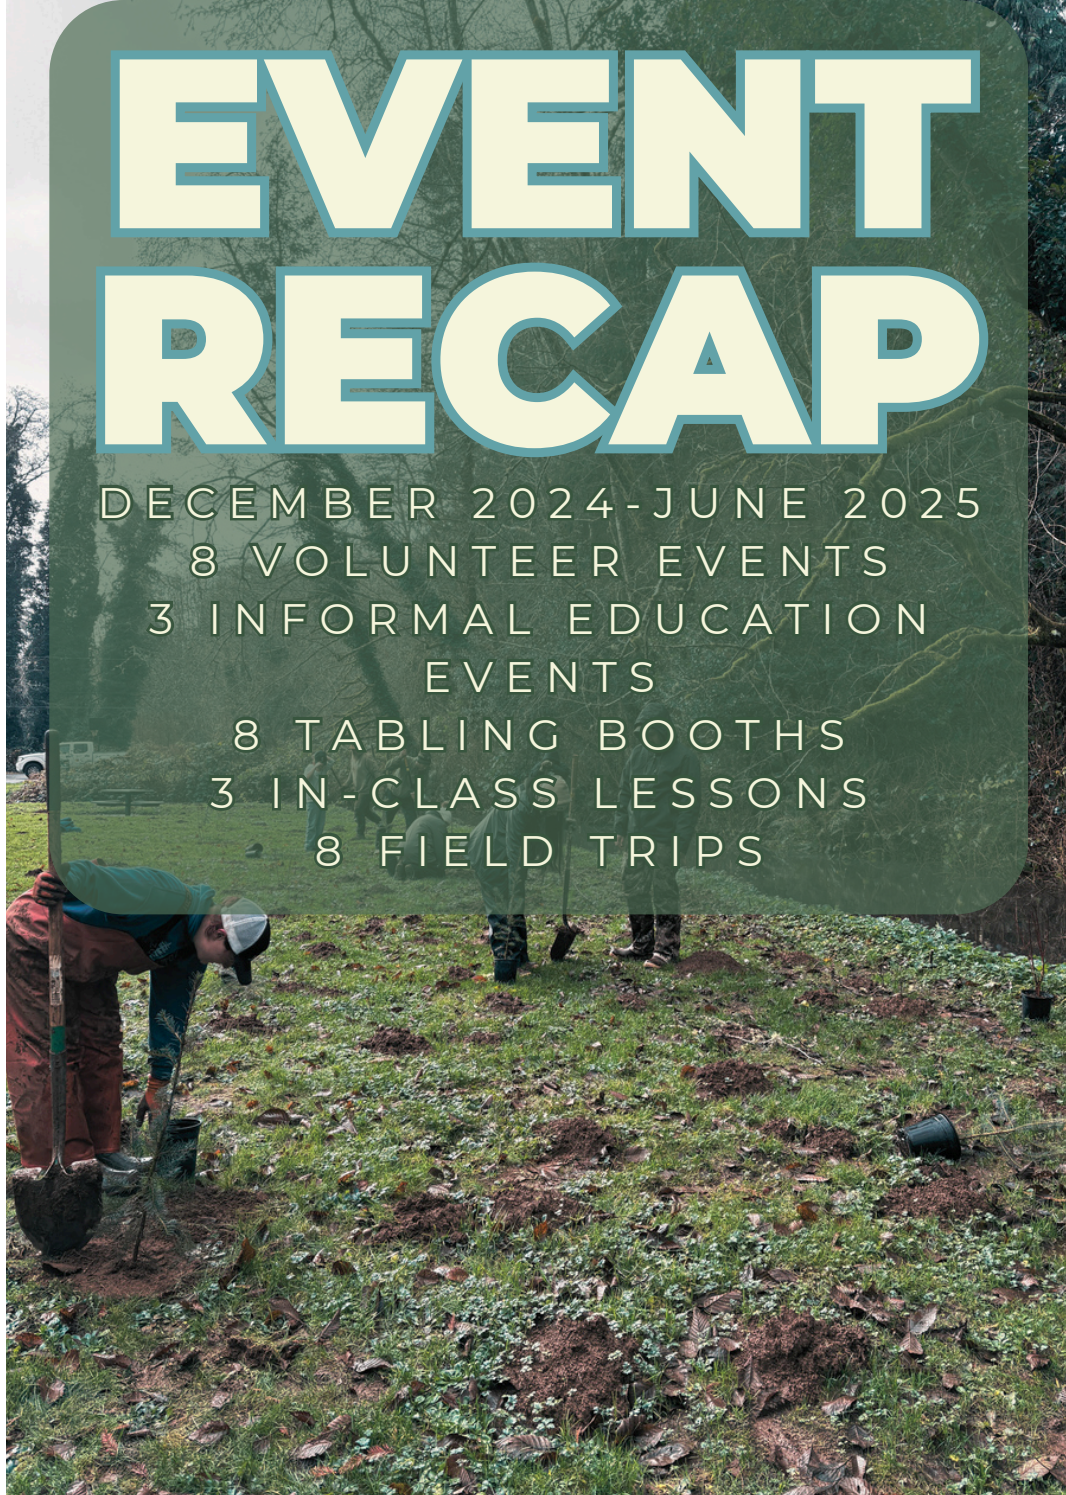

Breana Downs

Breana joined the team in October 2024. A lifelong resident of Grays Harbor, Breana graduated from Pacific Lutheran University with a B.S. in Biology and a minor in Environmental Studies. She'll be leading efforts to restore streams, coordinate volunteer activities, and collaborate with local organizations.

Breana believes in the power of community involvement to protect our natural resources and is eager to work alongside all of you.

The Grays Harbor Stream Team is now housed within the Grays Harbor Conservation District

The Grays Harbor Stream Team is
housed by the Grays Harbor
Conservation District and is fully grant
funded. Stream Team programs meet
the requirements for the grants that we
currently work under.
